* The Board in its deliberations found the application met the test for an area and a use variance.

HEARING DATE: September 4, 2001

DECISION DATE: September 4, 2001

SUMMARY ORDER

SELF-CERTIFIED

The zoning relief requested in this case was self-certified, pursuant to 11 DCMR § 3113.2.

The Board provided proper and timely notice of public hearing on this application, by publication in the D.C. Register, and by mail to Advisory Neighborhood Commission (ANC) 1A and to owners of property within 200 feet of the site. The application was referred to the Office of Planning (OP) for review and report.

The site of the application is located within the jurisdiction of ANC 1A. ANC 1A, which is automatically a party to the application, filed a written statement expressing its support for the application. The OP submitted a report into the record of the case recommending against the application.

As directed by 11 DCMR § 3119.2, the Board has required the applicant to satisfy the burden of proving the elements that are necessary to establish the case for an area and use variance pursuant to 11 DCMR § 3103.2 and 771. With the exception of the OP, no person or entity appeared at the public hearing in opposition to the application or otherwise requested to participate as a party to this proceeding. Accordingly, a decision by the Board to grant this application would not be adverse to any party.

The Board concludes that the applicant has met its burden of proof, pursuant to 11 DCMR § 3103.2 and 771, that there exists an exceptional or extraordinary situation or condition related to the property that creates a practical difficulty and hardship for the owner in complying with the Zoning Regulations, and that the relief can be granted without substantial detriment to the public good and without substantially impairing the intent, purpose, and integrity of the zone plan as embodied in the Zoning Regulations and Map.

It is therefore **ORDERED** that the application is **GRANTED**.

Pursuant to 11 DCMR § 3101.6, the Board has determined to waive the requirement of 11 DCMR § 3125.3 that the order of the Board be accompanied by findings of fact and conclusions of law. The waiver will not prejudice the rights of any party, and is not prohibited by law.

VOTE: 4-0-1 (Geoffrey H. Griffis, Anthony J. Hood, David W. Levy, and Anne Mohnkern Renshaw to approve, Sheila Cross Reid recusing herself).

BY ORDER OF THE D.C. BOARD OF ZONING ADJUSTMENT
